Deviation from Applicable Standard

According to applicants declaration this EUT is a class A product

The above equipment was tested by GCC Certification Corp. for compliance with the requirements set forth in the EUROPEAN COUNCIL Directive 2004/108/EC and the technical standards mentioned above. The results of testing in this report apply only to the product/system, which was tested. Other similar equipment will not necessarily produce the same results due to production tolerance.

This test report shall not be reproducing in part without written approval of GCC Certification Corp.
